---

### Product Type

This is a Commercial Lines general insurance product which is suitable for business customers only.

---

### Product Status

This product is open to new and renewal business.

---

### Who is the product designed for?

This product is suitable for Commercial customers comprising contracting and construction related trades based within Great Britain, the Channel Islands and Isles of Man.

---

<b>Who is the product <u>not</u> appropriate for?</b>	Non-Commercial customers or businesses with an annual turnover in excess of £25,000,000 per annum.
<b>What are the mandatory product features that will meet the needs, characteristics, and goals of the target market?</b>	This product provides the following cover, up to agreed specified limits: <ul style="list-style-type: none"> <li>• Public and Products liability</li> </ul>
<b>Does the product include optional covers?</b>	<ul style="list-style-type: none"> <li>• Employers' liability</li> </ul>
<b>How should this product be distributed?</b>	This product should be sold with the active assistance and guidance of an Insurance Intermediary to select the appropriate level of cover. This product should not be sold directly to customers without this assistance.
<b>What should distributors do to ensure the product provides fair value to the end customer?</b>	To ensure the customer receives fair value for this product, care must be taken to ensure no duplicate cover exists or is caused by an add-on where that cover is already provided by the policy. Commission, fees, or charges passed onto the customer must be proportionate to the service provided and provide fair value. The distributors should ensure that the levels of cover are adequate for the risk insured.
<b>Additional Product Literature</b>	This document is to be read in conjunction with the appropriate policy wording and policy summary which is available via your AXA scheme referral contact.

### **Further information about the Product Review and Fair Value Assessment**

When completing our Product Reviews and Fair Value Assessments we used all available information relevant to the product, and information provided by our distribution partners.

Where indicators and measures were outside AXA Commercial's tolerance, we investigated these to ensure that the product continues to remain suitable for the target market, delivers value for customers and operates in line with customer expectations. Details of any key actions taken can be found below.
