

## David Oliver - Commercial Combined

## Target Market Statement

AXA Commercial has undertaken a Product Review and Fair Value Assessment as the manufacturer of this product, in accordance with our obligations under PROD 4.2.

Date of most recent Product Review and Fair Value Assessment	September 2025
Date of next Product Review and Fair Value Assessment to be completed by	Within the next 12 months*

\*We continuously monitor our products and apply a risk-based approach to our product governance; the next review and assessment may take place before this date and this document updated accordingly.

### Outcome of the Product Review and Fair Value Assessment

As a result of the product governance activities undertaken across this product we can confirm:

- 1.The product meets the needs of the identified target market
- 2.The product provides fair value to the target market
- 3.The distribution strategy remains appropriate

Product Description	This product is multi-sectional with a range of selectable cover options allowing the customer to make choices about the cover they require  This product is sold via an AXA scheme insurance intermediary
Product Type	This is a Commercial Lines general insurance product which is suitable for business customers only
Product Status	This product is open to new and renewal business.
Who is the product designed for?	This product is designed for commercial customers with businesses based in Great Britain, the Channel Islands or the Isle of Man
Who is the product <u>not</u> appropriate for?	Non-commercial customers
What are the mandatory product features that will meet the needs, characteristics, and goals of the target market?	There are no mandatory cover options but some cover options are not available in isolation
Does the product include optional covers?	<ul style="list-style-type: none"><li>• Property damage</li><li>• Business interruption</li><li>• Public and products liability</li><li>• Employers' liability</li><li>• Goods in transit</li><li>• Money and personal accident assault</li><li>• Selected all risks</li><li>• Theft by employees</li><li>• Personal accident</li><li>• Computer breakdown</li><li>• Terrorism</li></ul>
How should this product be distributed?	This product should be sold with the active assistance and guidance of an Insurance Intermediary to select the appropriate level of cover. This product should not be sold directly to customers without this assistance.
What should distributors do to ensure the product provides fair value to the end customer?	To ensure the customer receives fair value for these products, care must be taken to ensure no duplicate cover exists or is caused by an add-on where that cover is already provided by the policy. Commission, fees, or charges passed onto the customer must be proportionate to the service provided and provide fair value. The distributors should ensure that the sums insured are adequate for the risk insured.

## Vulnerable Customers

Customers with characteristics of vulnerability are within the target market. Vulnerable customer objectives are consistent with those of non-vulnerable customers and can benefit from the product in the same way. Vulnerable customers have different characteristics to non-vulnerable customers and may require additional support. Our colleagues are trained and equipped to identify and support vulnerable customers. We closely monitor vulnerable customer outcomes to ensure our products and services continue to meet their needs and deliver good outcomes.

## Additional Product Literature

Please read this document alongside the product policy wording, and policy summary which is available via your AXA scheme referral contact. Detail on all limits, conditions and exclusions have not been included, this information can be found within the policy wording.

## Further information about the Product Review and Fair Value Assessment

When completing our Product Reviews and Fair Value Assessments we used all available information relevant to the product, and information provided by our distribution partners.

Where indicators and measures were outside AXA Commercial's tolerance, we investigated these to ensure that the product continues to remain suitable for the target market, delivers value for customers and operates in line with customer expectations. Details of any key actions taken can be found below.
