Carrier Information

The fields below should be completed by the carrier. The information provided should be sufficient for distributors in the chain to understand the value of the product, the intended target market and those to whom the product should not be marketed. Other information should be included (if relevant) to advise distributors of how their known or expected actions might affect the value of the product.

Product information

This product has been subject to the Syndicate's POG process and has been reviewed and signed off by the POG as representing fair value to customers.

This is a standard market offering with each party in the distribution chain providing a service that is commensurate to their commission levels. There is nothing in this product that would indicate that fair value is not provided to the customer.

Claims will be handled by an appointed Lloyd's DCA, Claytons, in line with the specific SLA we have in place.

This product is offered to customers in the UK only.

The product runs for a duration of 12 months and renewal notices issued in accordance with local regulations.

Target market

Professionals seeking professional indemnity insurance, working across a range of professions (as detailed in the underwriting guidelines) within the UK, micro/SME space.

Types of customer for whom the product would be unsuitable

Consumers, personal lines, non advised sales or professionals domiciled outside of the UK.

Any notable exclusions or circumstances where the product will not respond
• Standard market exclusions apply. • Communicable disease and cyber exclusions included • Conditions precedent are present and feature in the policy documentation. This can be bought to clients attention by broker pre-binding.
